What is Eden Care Communities?

Eden Care Communities is a charitable housing and health care provider located in Regina. We provide safe, secure, and affordable housing to seniors and low income, vulnerable adults, as well as operate a long term care facility as an affiliate of the Regina Qu'Appelle Health Region. We provide housing and services to approximately 400 residents.

Why would you want to sponsor?

Getting your company in front of 100-200 movers and shakers in Regina. We link to your website, shoot a promotional video with you in it, and put your logo on all promotional material for the tournament. We have great reach on Facebook and Instagram where you'll be mentioned! But most of all it will be a fun filled day with your friends dressed in 60's attire playing a sport you have no clue on how to play!
